## How does it work?

Youth (Ages 5-18) fill out a registration form and pay the fee for their birds. When the chicks arrive the youth come pick them up and then raise them to the appropriate size! Youth will choose the best of their hens to show on show day. Youth will be judged based on their showmanship, and the quality of the bird on the day of the show, November 21st, 2015! After the show the birds are yours to keep!
