

WRR Rolloff Services

Planning a rolloff for your project? Please complete and return this form to recycling@ncsu.edu

- Plan ahead, please give WRR as much notice as possible of your upcoming project
- Provide a photo or map of the specific placement via email
- If your rolloff will be impeding traffic or will be placed in a parking spot, you will need to coordinate directly with Transportation to reserve spaces (ncsu-transportation@ncsu.edu)
- Please see back of this sheet for rates and additional information

Plywood Rental (if applicable) - \$2.25/sheet	Buffaloe Road (stumps)—\$60.00/load + \$25.00 dump fee

Important Information:

- The best way to get in touch regarding rollofs is via email (recycling@ncsu.edu) or through our service request webpage: recycling.ncsu.edu/request-service
- Only the Facilities PM and/or contractor PM request hauls/relocations of the rolloff.
- One business day's notice is requested for a haul.
- WRR will provide plywood underneath a rolloff if it will be placed on turf or brick.
- If the rolloff is being used for very heavy material (concrete, asphalt, etc) please contact us to schedule a haul when the container is half full.
- Over-filled containers may be subject to extra charge for backhoe compaction.
- Special circumstances or just need guidance for planning? WRR will assist by meeting at job site to discuss options.
- Please note that there is an additional charge for parking space rental by NC State Transportation.

Items Not Permitted for Disposal in Rolloffs

White Goods (appliances)	Electronics
Tires	Hazardous Waste
Chemical Waste	Universal Waste (ballasts, bulbs, batteries)
